COUGAR '67  
Albany High School  
603 Key Route Blvd.  
Albany, California

Miss Margaret Gilchrist has been a Spanish teacher at Albany High since 1931. During 1947-50, she taught in Japan through the Army. Miss Gilchrist taught in Mexico as a part of the California Teachers' Association "Mexican" Project.

## DEDICATION

Miss Gilchrist, we have dedicated the 1967 Cougar to you in the hope you will see it as a symbol: a symbol that represents your today and the today of many students to whom you daily imparted your experience and knowledge. These students someday will look back on your teaching and remember your integrity, kindness, and fairness when they stumbled and fell in the face of new experiences.

We hope you will see that tomorrow is today and that the students you had in 1931, when AHS was Herbert Hoover Junior High, are now mature citizens, and that in each one is a small part of you. Even the students who have just passed from Spanish I to Spanish II will have shared in your today, and will be a part of the future.

As we dedicate this book to you, we wish that your tomorrow be as meaningful and successful as your accomplishments today.

Homecoming

Band

Of great events stride on before the events,  
And in to-day already walks tomorrow.

*Samuel Taylor Coleridge*

Tomorrow's musicians, today.

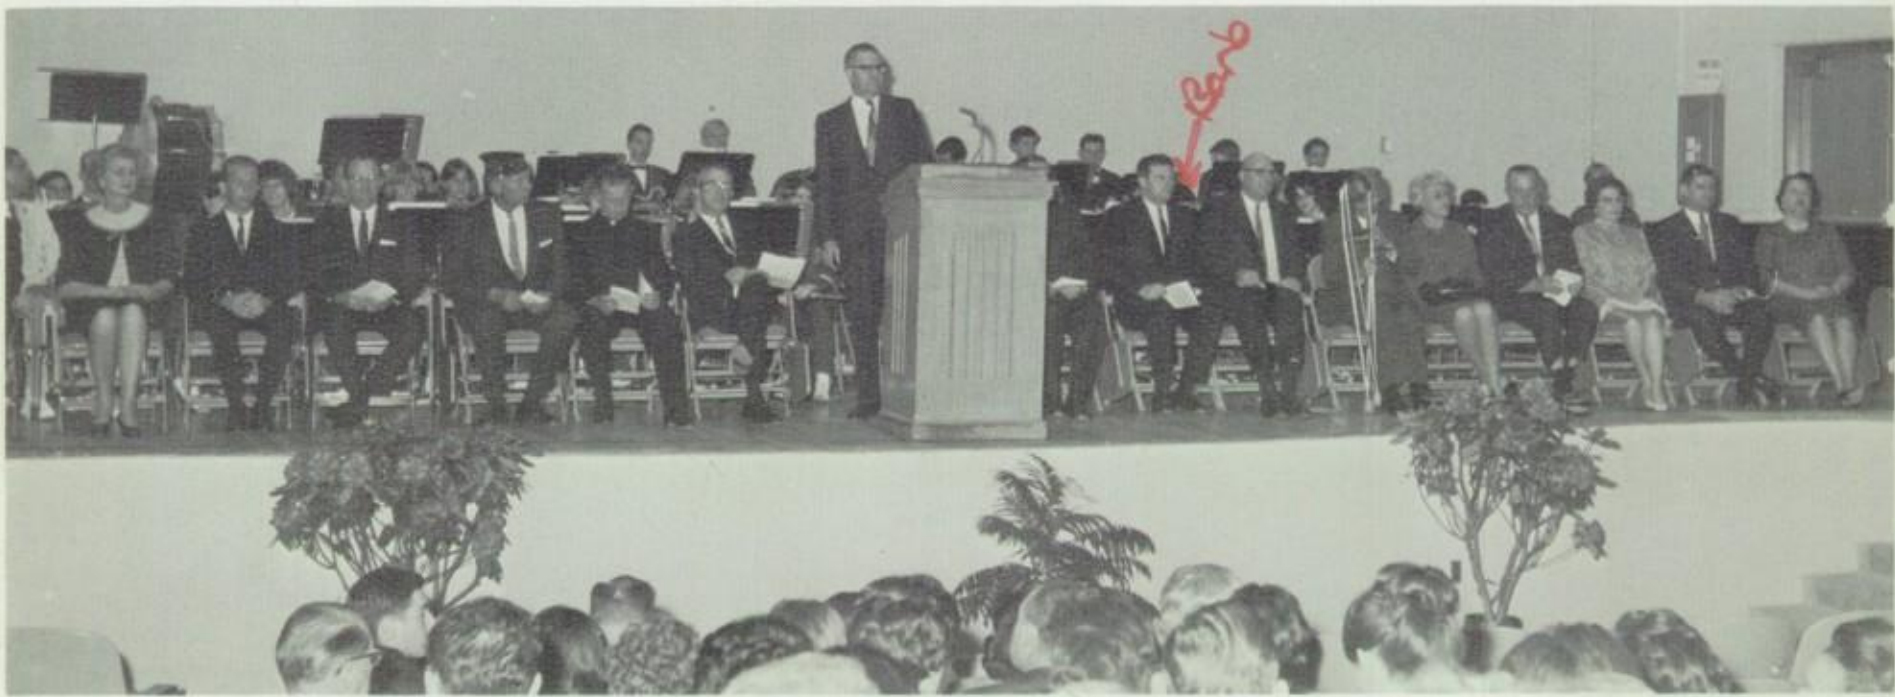

Dedication Of The Industrial Arts  
And Fine Arts Buildings Thursday,  
March 2, 1967, In The Little Theater

American Legion Post 292 performing the flag ceremony.

Mr. Charles Pinkham, president of the Board of Education, speaking from the podium on the  
stage of Albany's new Little Theater.

The coming of the new, the leaving of the old. A nostalgic look at the choir portable being removed from the AHS campus.

A group of physics students in the newly constructed physics lab in the old building.

## All Hail

All hail to the Red and White  
Colors proud and true  
Beneath our banners bright  
We'll strive for victories new  
Our fame and glory ever sing  
Our loyalty will never fail  
Let the mighty chorus ring  
All Hail Red and White, All Hail!

## Cheerleaders

Happy the man, and happy he alone,  
 He who can call to-day his own;  
 He who, secure within, can say,  
 To-morrow, do thy worst, for I have  
 liv'd to-day.

*John Dryden*

A parking lot. . . a hole in the ground. . . and the beginning of new buildings — buildings that Albany High School has needed and waited for for over 30 years. Tomorrow we were to be taught in brand new \$875,000 facilities that would house industrial arts, the music department, art rooms, and homemaking.

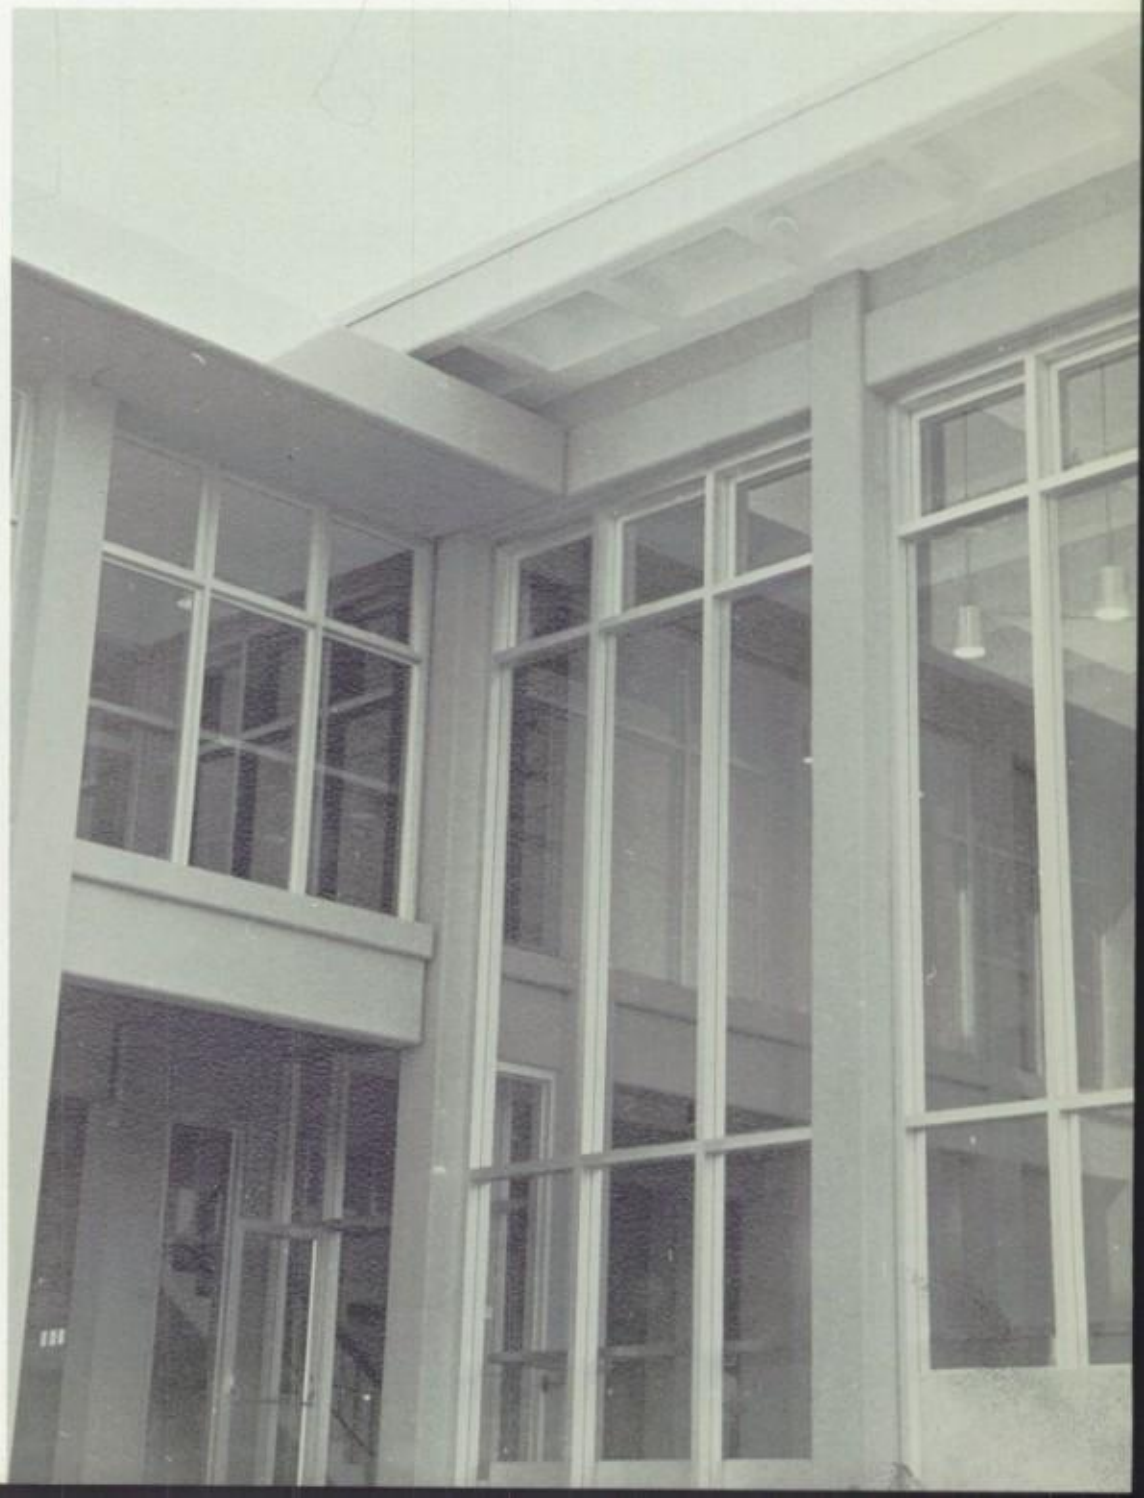

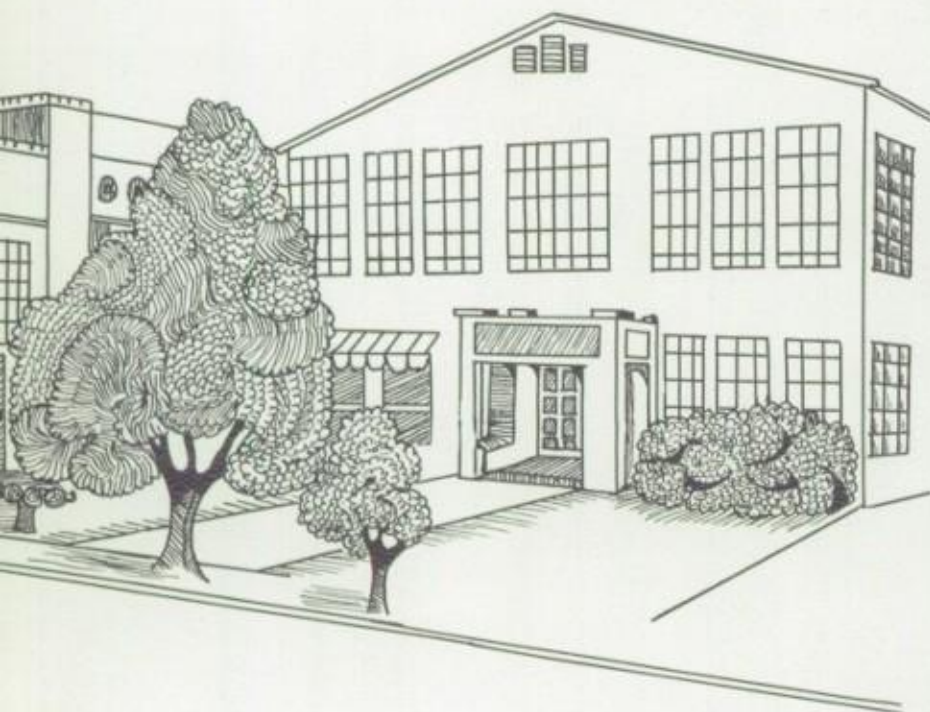

But today finally arrived, and the eighth graders who used the old buildings are now seniors and the new facilities have at last been completed. Children of tomorrow will not remember the old "canteen", the creaking Annex, the filthy but well-loved "church", and the miniature world of the cottage. When they look back on their today, they will only remember steel and glass-plated buildings and the slight discomfort of construction. But tomorrow's students will never have the great feeling of accomplishment that today's do.

## CONSTRUCTION, ANTICIPATION. . . COMPLETION!

Our youth we can have but to-day,  
We may always find time to grow old.

*Bishop Berkeley*

Our future seamstresses now sew in the spacious and airy new clothing room, which is a part of the Fine Arts Building.

As a part of the Industrial Arts Building, the auto shop is a testing ground for tomorrow's mechanics.

AHS's skilled workers get a chance to show their dexterity in the modern woodshop.

At Last Our Buildings  
Were Completed And Ready  
For Use After Years Of  
Waiting.

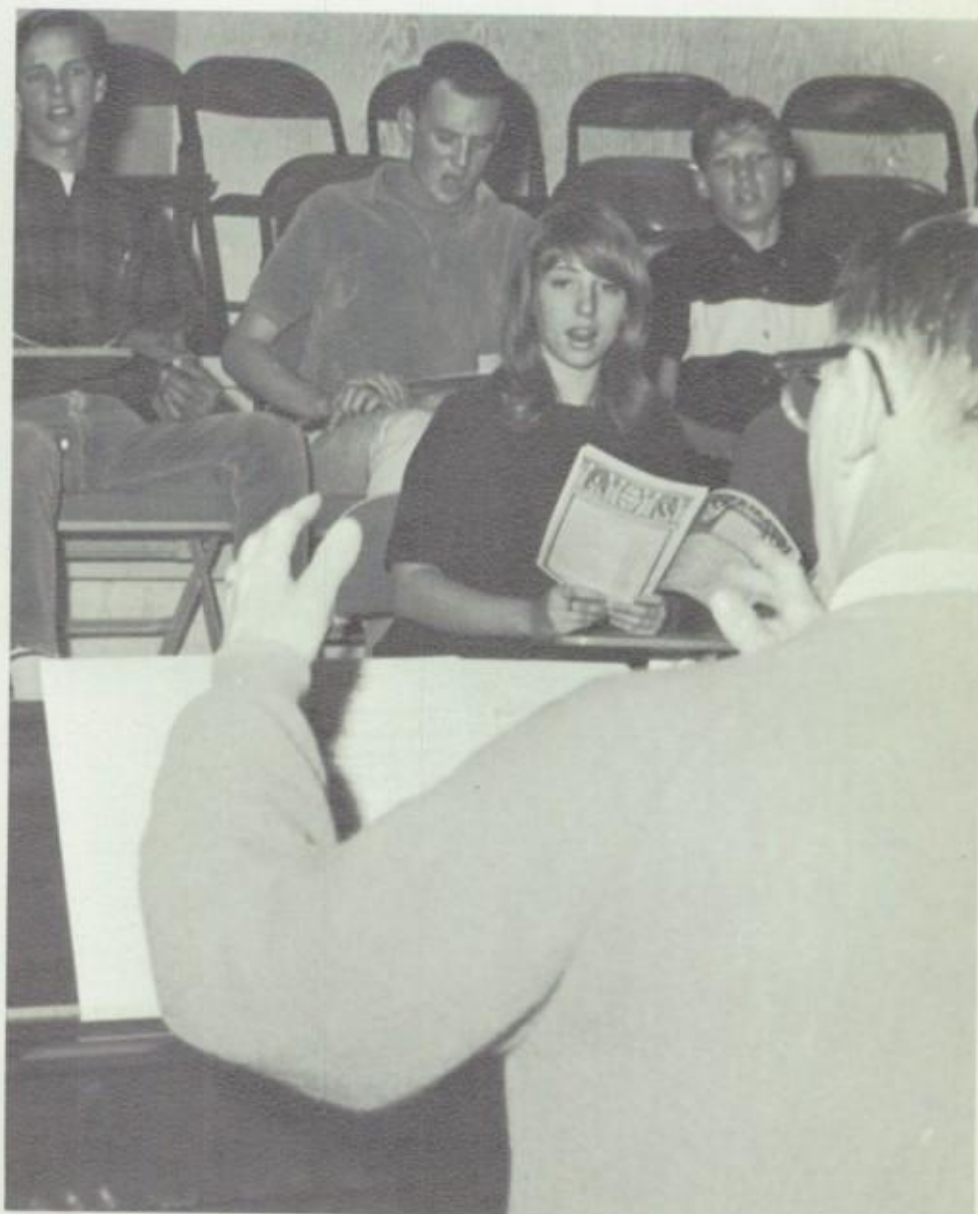

*won't see ya next year  
trench was fun even if I got a  
C- C. Stone Buckwheat*

After being moved from the "Church" to a portable, Mr. Douglas and his band and orchestra have finally found a home in the new Fine Arts Building.

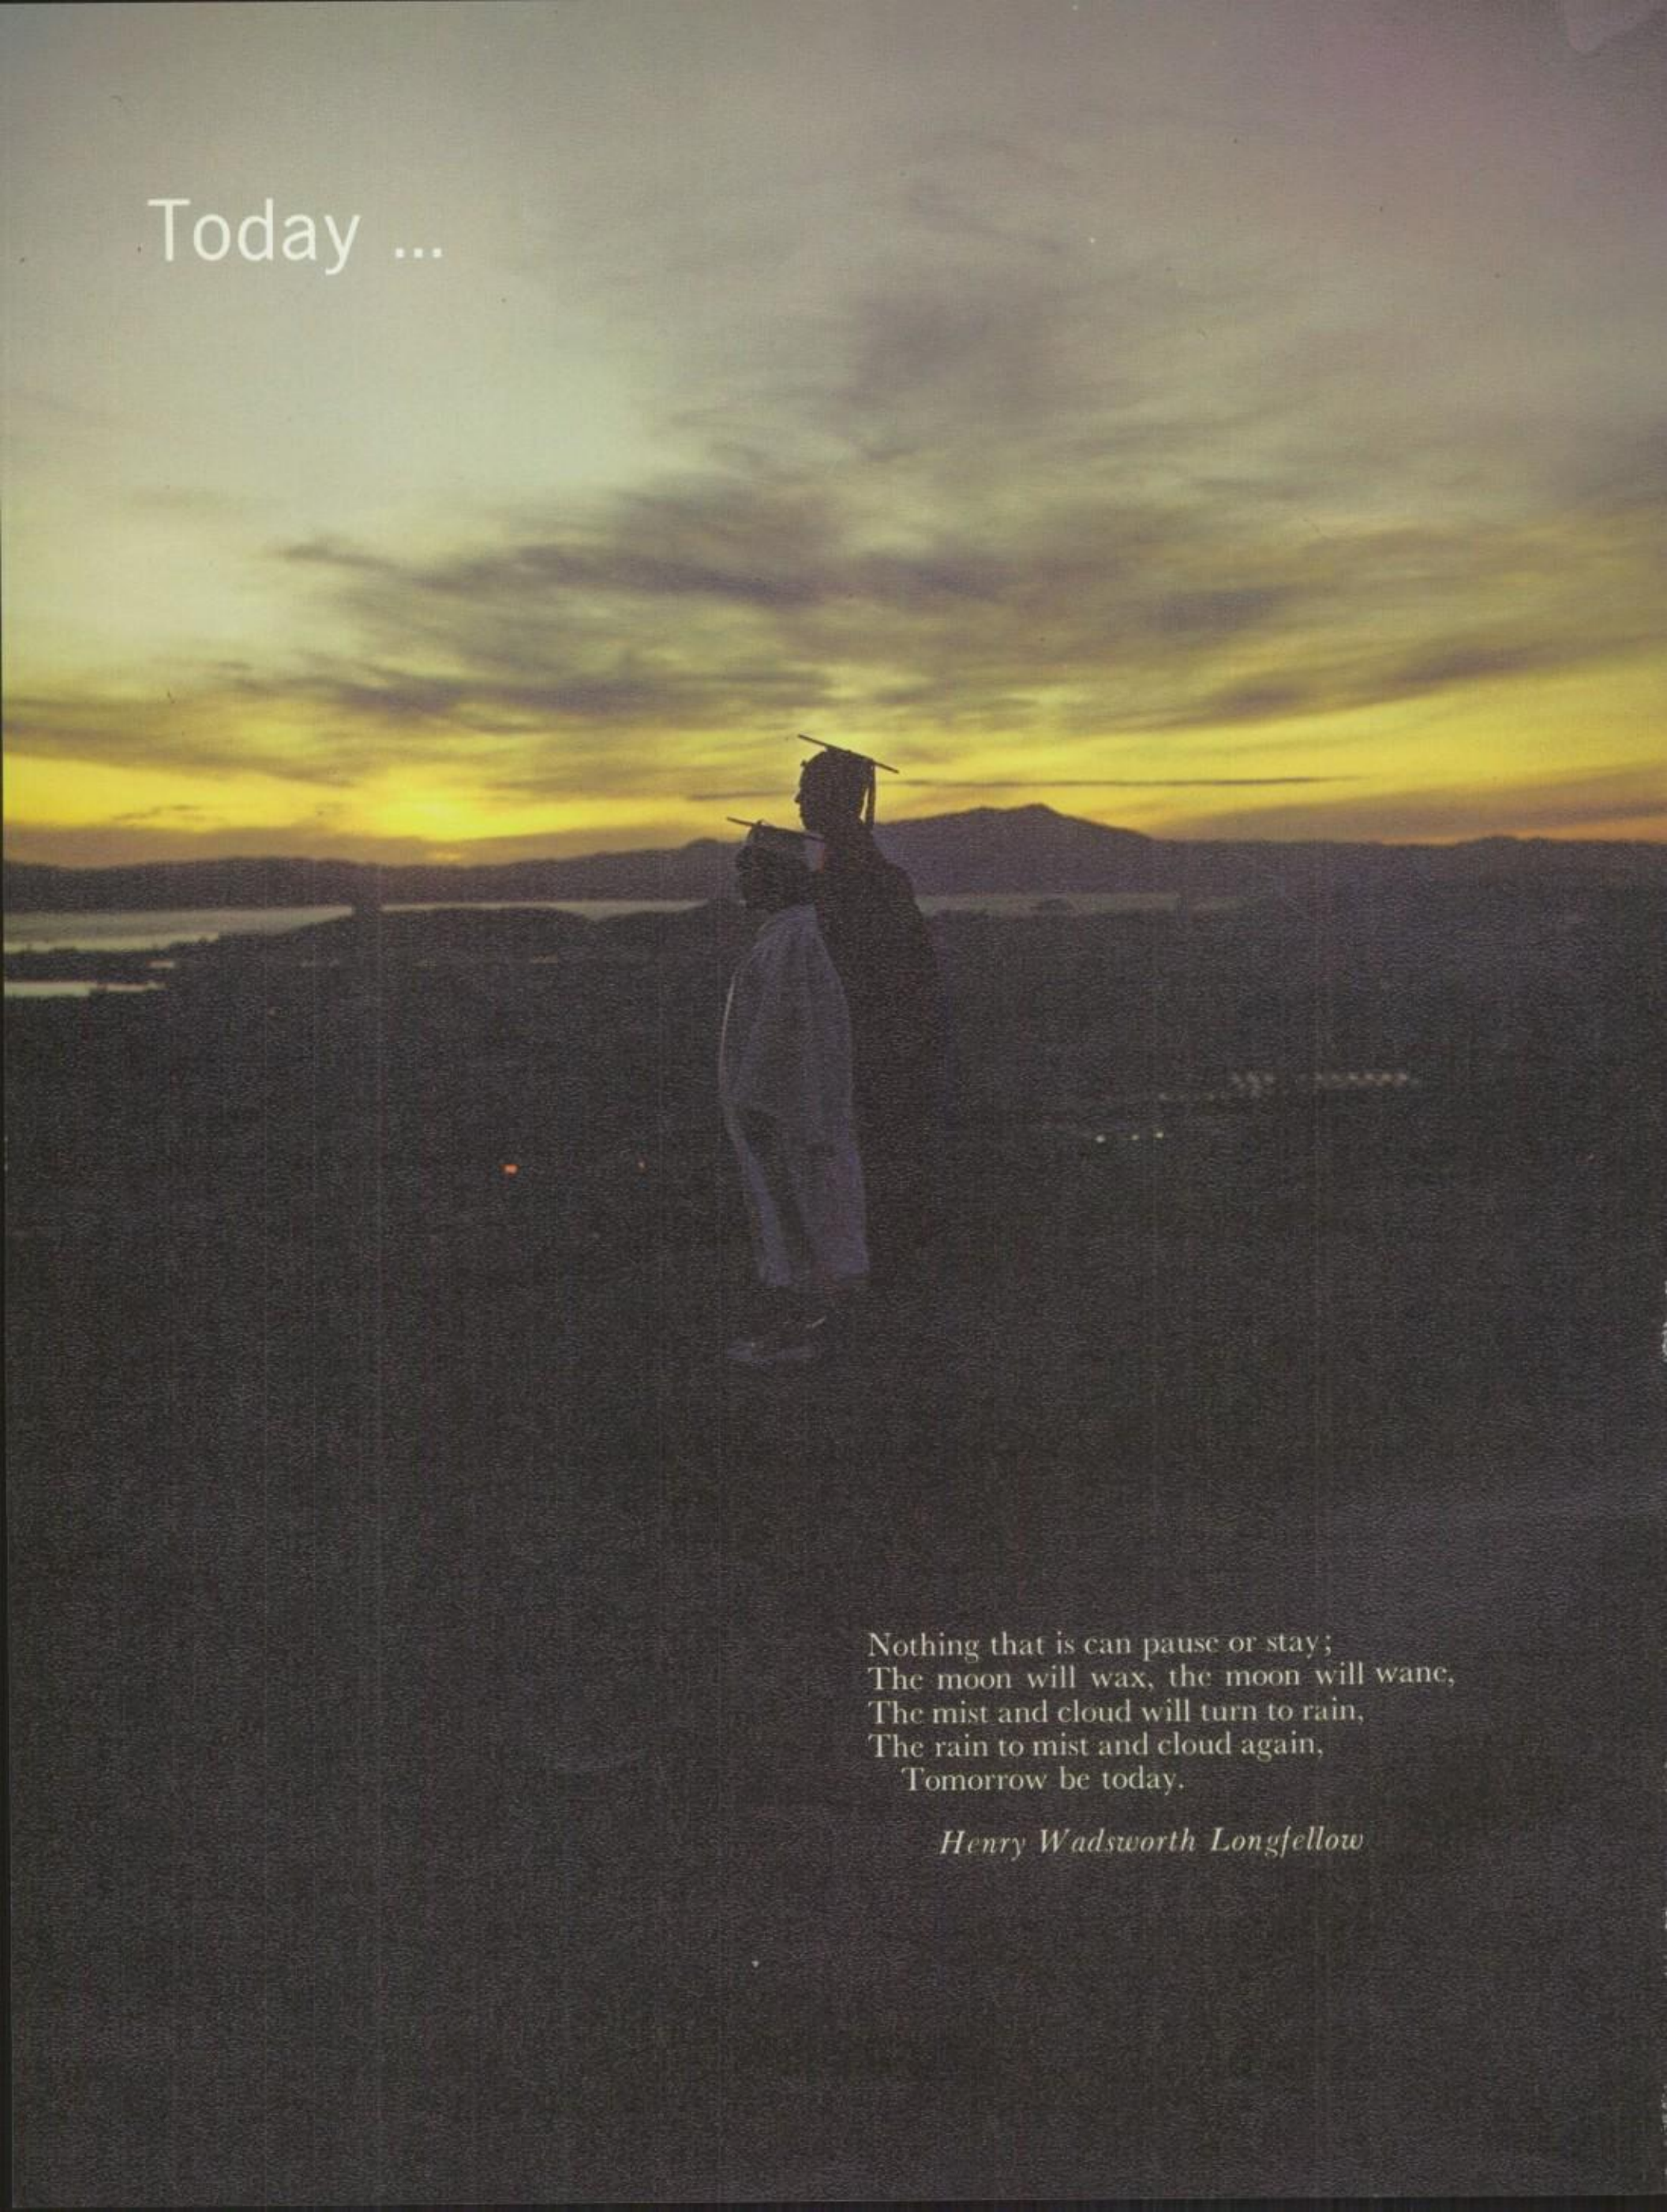

Something as usual as a piece of metal can provide a challenge. AHS's facilities in the new metal shop give many such opportunities.

Mr. Lehmer's choir room with its plush seats is quite an improvement over the old room with hard wooden chairs.

And Now. . .

Today ...

Nothing that is can pause or stay;  
The moon will wax, the moon will wane,  
The mist and cloud will turn to rain,  
The rain to mist and cloud again,  
Tomorrow be today.

*Henry Wadsworth Longfellow*

# ... is Tomorrow

Our young models from the first grade at Cornell Grammar School will graduate from Albany High . . . At the same time we see the pictures of the faces through a new perspective.

MISS JOHNEVA POND

Informed forecasts of the future indicate that the youth of today, tomorrow's citizens and leaders, will continue to be involved in an ever increasing spirit of change and rejuvenation. Recognizing that there has been more technological change in the past 50 years than in the previous 5000, we can no doubt expect a similar pace during the next generation.

Advancement of science and technology brings corresponding pressures on sociological, economic and political endeavors. The youth of today is encouraged to study and learn

well the social sciences, because here will, no doubt, lie the key to a successful future. Solution to complex problems of the future lie in studying the past and present in a thoughtful and critical way, with full understanding and appreciation for the tenets of democracy and freedom.

It is our hope that we teachers have helped the youth of today in these regards.

# COUGAR STAFF

CAROL THOMPSON, CO-EDITOR

PAT NELSON, CO-EDITOR

"If tomorrow were only today!", exclaimed the two Cougar editors, as they frantically pushed the staff to meet the last-minute deadlines.

But it wasn't, and section heads and editors were often found in the familiar Room 110 working until dinner-time and later, five-days-a-week. Because of the unusual format of this book and the new methods of putting it together, many Saturdays and Sundays were spent "sweating" to get things just right so the editors and Mr. Stone, advisor, would be satisfied.

The only reward for the hours of toil and trouble by the staff is if you will treasure the 1967 Cougar tomorrow and remember its today at its best.

## Clarke's Classes Study Controversy

Mr. Charles Clarke, AHS social science instructor, and the students of his American Government classes have been engaging in a study of current world problems this past week.

The classes were divided into groups each to report on a specific problem such as the military draft system and the goals of civil rights movement. Mr. John M. Clarke, who gave a very detailed talk on the present situation in an impressive speech, was present. Selective conscription was discussed this July. Young men aged 18 and over will be drafted. Two speakers from the anti-war movement will speak at the south. Both speakers will be in and out of the press.

## Budget Forces College Cuts

Students are planning to protest state colleges. It is important for them to understand the "admission freeze" imposed by the state colleges last January.

Gov. Reagan's proposal for budget reductions, there had been 10,000 students expected to enroll. Because of this proposal, the maximum anticipated enrollment reduction will be 22,000. Only 39,000 new students will be admitted.

## Career Day Success; Students Informed About

Professionals from various industries visited AHS junior vocational Wednesday.

Mr. Joe Smith, officer at the College, was one of the speakers who talked about "employment" and "Jobs." Students heard about various career opportunities. Earlier in the day, given choice of careers was indicated to the students who wished to learn more.

Students were divided into groups that were assigned to auto mechanic, qualified person, and career opportunities. The day was split up into three one hour sessions.

## Happy Music, Cold Drinks, Popcorn? T Band Concert Toni

The Band Show will start at 7:30. This year's show, complete with music, popcorn, and drinks, will consist of a circus atmosphere. The Band, the Intergroup Band, and the Intergroup Band will present a program starting at 7:30.

The show will present music and then a variety of acts. Girls will make up a major part of the show. The Gaggies will perform the time they did. The Year's Parade will be the "Circus" theme. Featured members for the show include a trumpet section on the "Lassus Troop" and the flute section on the Latin-american novelty, "T

The German Band will make up a part of their rare public appearance. They will be playing their famous beer pretzel music and hitting other with pies. Also the Land Band will play a variety of "old time hits, Garden Blues, Mississippi and Back Home Again, na."

Included in the program is a negro spiritual, "Eli" and a medley of Herbie Hini songs. The show will end with the old circus marcher and Blazes."

It's a boy! Saturday March 25 the stork paid a call on Mr. and Mrs. Al Morgan and delivered a 7 pound 6-ounce, 21-inch-long son, John Williams. Congratulations, Al.

This year's News Staff has spent many long hours in the production of the AHS NEWS. Through their sleuthing and snooping around the school and the community they tried their best to keep you, the students, informed on what was happening around AHS. ### Weekly Question

WHAT WOULD YOU LIKE AT ASSEMBLIES AND THINK THEY SHOULD DO MORE OFTEN?

Irwin: "Anything would be more often than what we have now! I think Albany High has been too much in the past. The assembly is based on tradition. Tradition is for the birds. Assemblies should be geared to the students' likes, and the exchange assemblies. I think the student body should be able to pick from a list compiled by the BOC the kinds of assemblies they want and would give more attention to them, instead of just being glad they're out of class. If the assemblies don't improve, I don't think we should be forced to attend."

Russ Klobas: "I'd like to see a lot of action and noise. I think we should get away from all the skits that AHS students put on."

## Buttons And More Buttons

Buttons, buttons, who's got the most?

BARBARA WESTLEY  
Circulation Manager

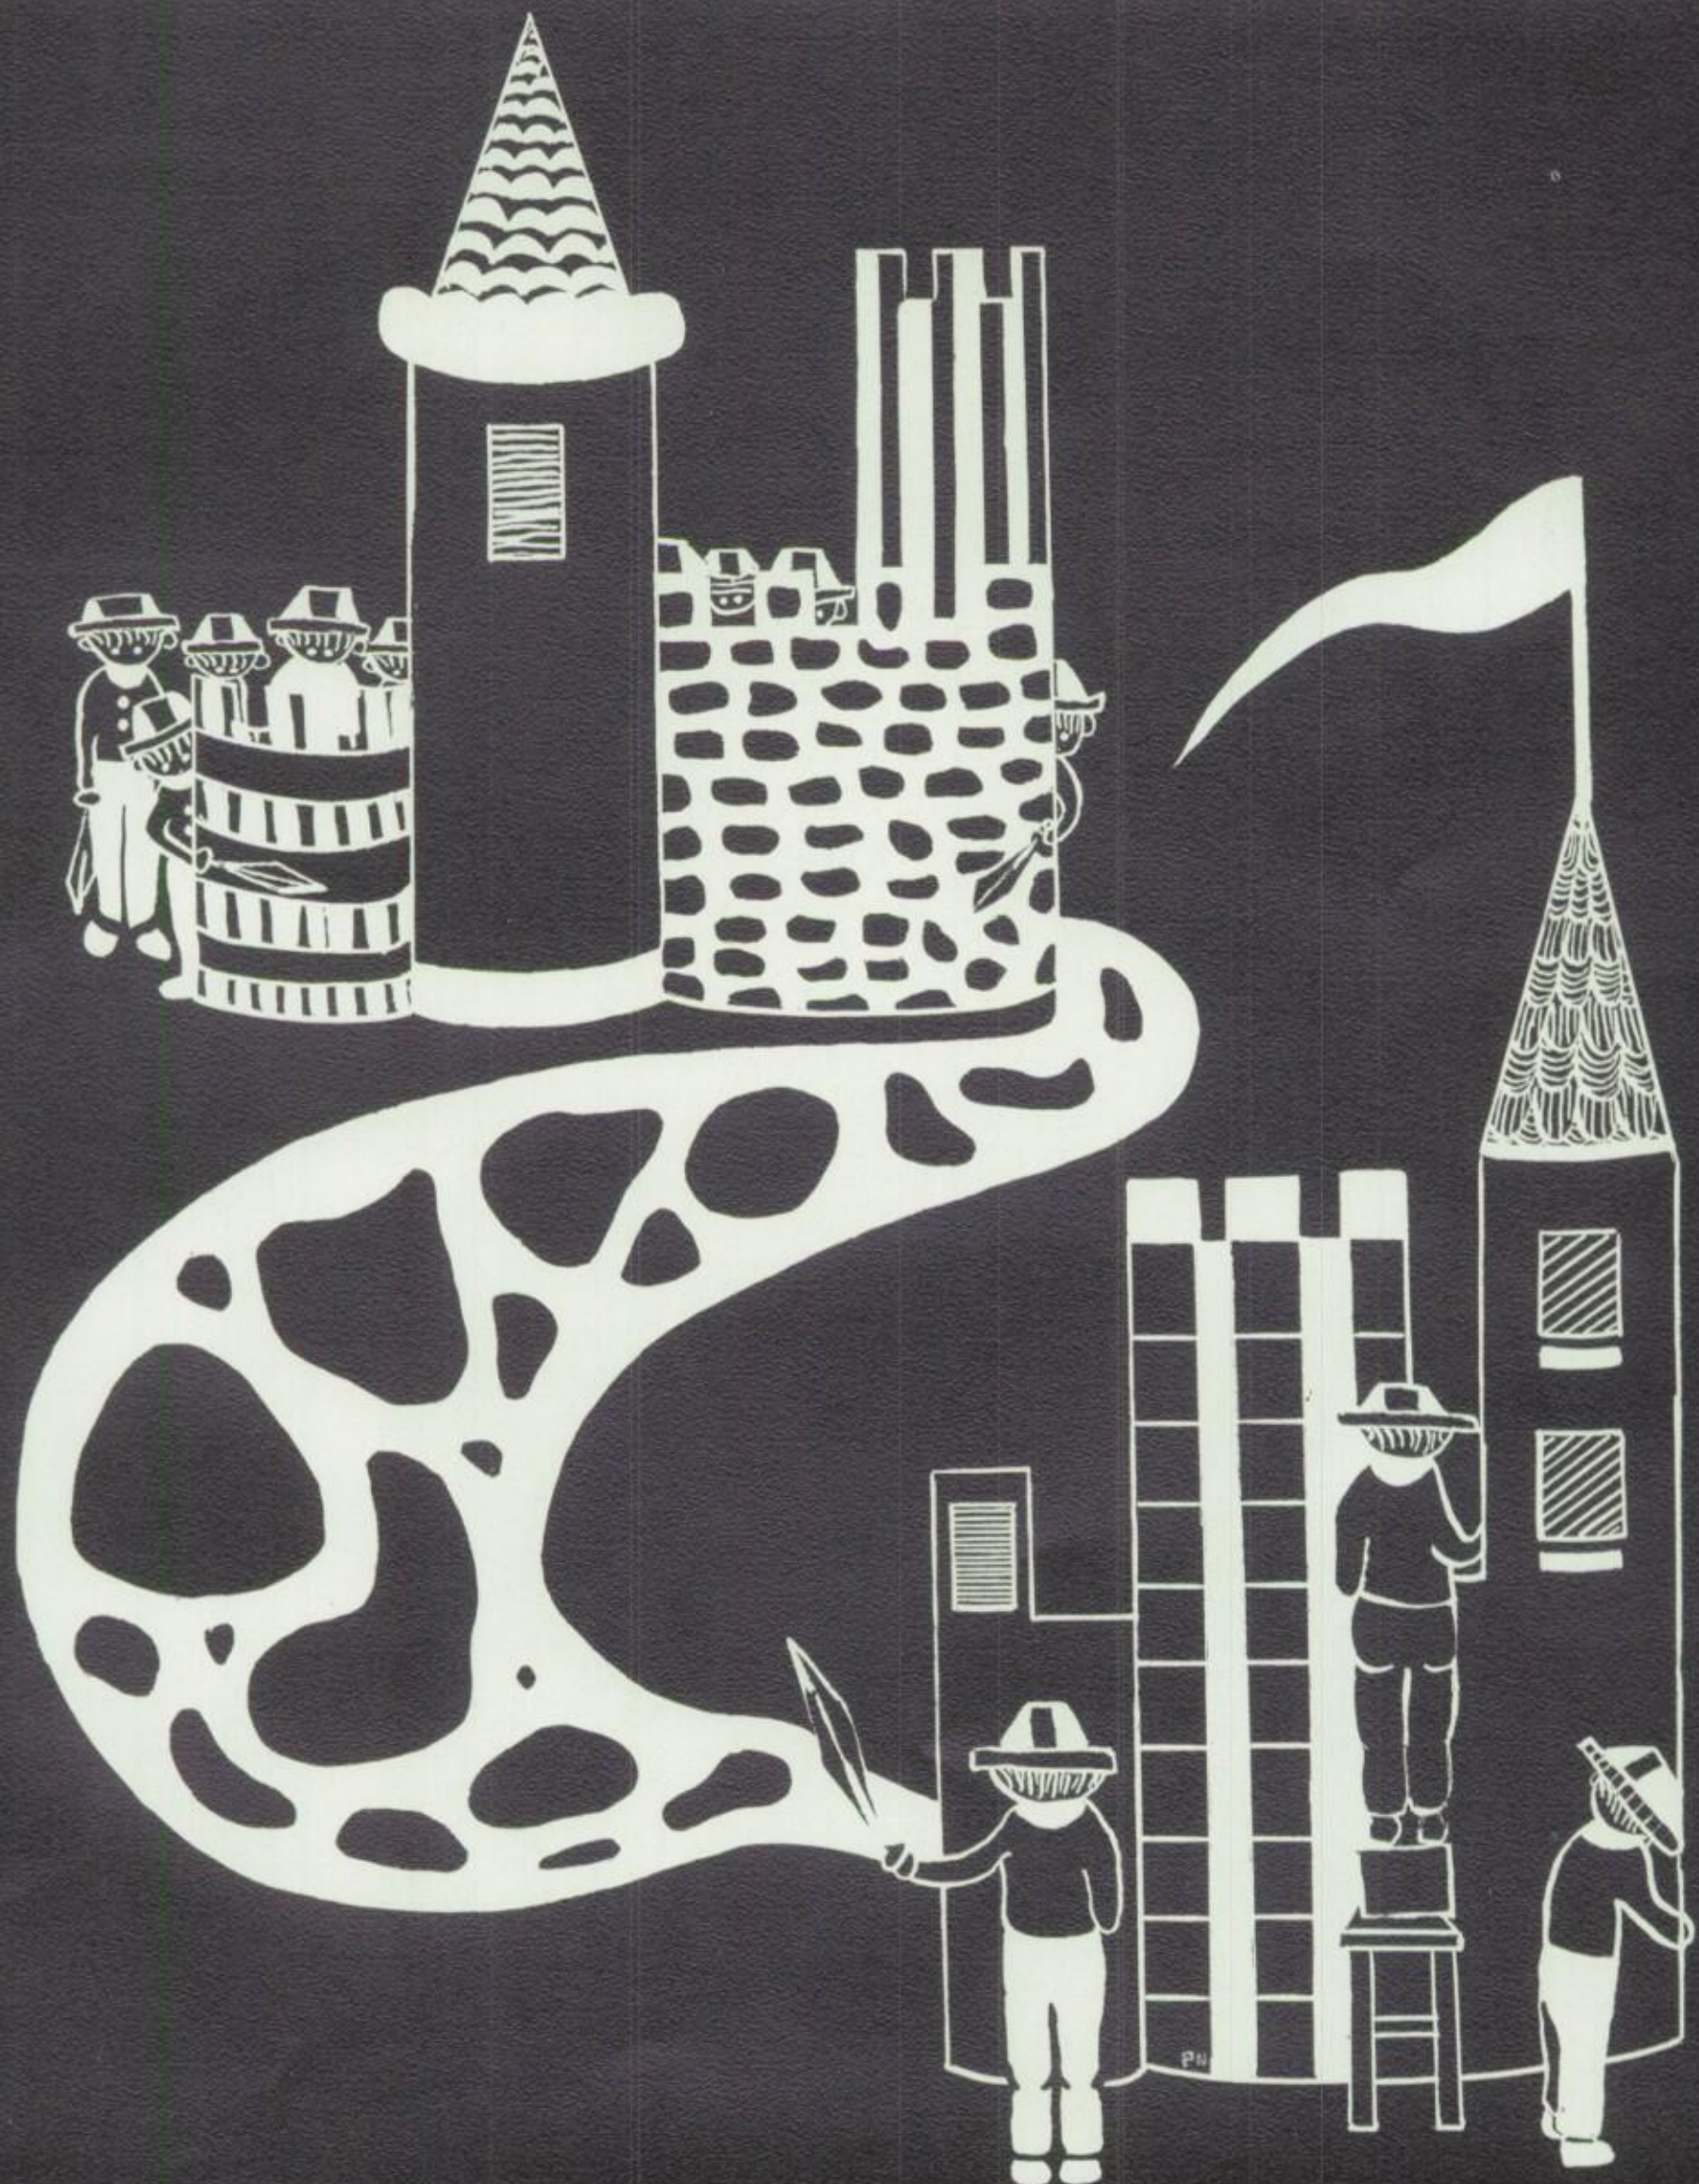

size of button wearing has exploded out as a small explosion now developed into a full blown bomb. The buttons are a topic that's thinkable but that are unthinkable. "Beer Not Students" "Butter Is Better Than Beer" "Win With Jesus" are just a few of the never ending slogans printed on the little plastic buttons. The stories that sell just as well as people who do nothing but think up witty slogans to put on the buttons. There are also people who are all day except go into the button business, just sell buttons, buy buttons, every type of button. The parade around town is a new crop of buttons. The small round things usually pinned on whatever they happen to be wearing. It doesn't really matter what the people are wearing since the clothes are covered with buttons anyway.

Coach Greenwood, co-captain Niel Bair, co-captain Tom Scheer, Coach Hoyle.

Harassed again by a shortage of players, this year's Varsity football team won only one game, a 33-12 thrashing of St. Vincents. One of the few bright spots of this season was Chad Baca making all-league defensive halfback and Tom Scheer and Ken Niehaus making all-league second-string. John Woody, for his part in the win over St. Vincents, was named Prep of the Week by the Berkeley Gazette. At the annual Lion's Club football dinner, Tom Scheer received the Most Valuable Player award for his stamina throughout the season. Other awards were Niel Bair, Most Inspirational Player; Steve Layne, Most Valuable Lineman; Chad Baca, Most Valuable Back; and Ken Niehaus, Most Valuable Player by the coaches.

This season can be summed up by saying experience was gained by the coaches for the benefit of next year's Varsity team.

This year's Junior Varsity football team won more than either the Varsity or Freshmen. Led by a very devoted James Greenwood, the J.V.'s achieved victories over John Swett and St. Vincents. The purpose of a Junior Varsity football team is to give younger players a chance to play and gain experience and be ready for the Varsity team the next year. In this sense, this team was very successful. There are several players who will add a lift to next year's Varsity team. Captains Robbie Tracey and Don Newell felt that the spirit was good and attendance at practice was better than ever, but the team lacked the desire to hit.

In order to train first-year football players for experience and skill, a Freshman football team is necessary.

Sticking through the season with as many players as a basketball team has, Gene Davis' fighting Frosh lost all their games. But several up-and-coming stars should provide the nucleus for next year's Junior Varsity and Varsity teams.

Co-captain Vaughn Nordby, Coach Davis, Co-captain Wade Klatt.

Mario Feusier, Bruce Corey, and Dave Vess arrive too late to help unidentified teammate.

# TODAY'S BUILDERS. . .TOMORROW'S CHAMPS

Left to right: Dennis Simon, Rick Holcomb, Reed Pope, Jim Perry, Brian Graham, Curt Pihl, Ted Valli.

This year's Tennis Team, under the direction of Coach Choy, struggled through the year with a 2-8 season. Even though the season had only 2 wins, both against John Swett, there are many up and coming net men that should prove for a better season next year. According to Coach Choy this season can be described as a "building" season, which should prove as a good basis for the 1967 tennis season. Ted Valli, a junior who should be a major determining factor of next year's team, was quoted as saying, "I feel that next year's team should be great. Nobody really played a bad match and with the experience gained this season, we should have a winning season next year." Let's hope that he is right, and we will see a victorious team next year.

Coach Choy

This year's basketball team can be best described as was described by Captain John Woody. "The probable cause of our big failure to Mr. Ortlieb this year was the lack of hustle and desire to win a game and keep on winning."

Manager Rodney Ferreira, Coach Craig Ortlieb, Manager Larry Belote.

John Woody, Steve Goldman, Larry Lotspeich, David McCollum, Louis Oliver.

# SENIOR STARS

AT LEFT: Russ Klobas, Tom Scheer, John Woody, Terry LeGate.

The Senior stars this year would have been great had the spirit of the ball club been higher. If a prize were given to the most "unselfish ball player," the prize would probably go to Dave McCollum. Many times was David open for a fair shot, but he passed the ball to someone else in better position. This was not only true of Dave, but of other Seniors as well. A few seniors who were always good for points when they were badly needed were Larry Lotspeich, Steve Goldman, Tom Scheer, and John Woody. This year's seniors have set good examples of what next year's seniors and all varsity players should strive for.

George Williams releases a jump shot as Captain John Woody attempts to hypnotize the opposition.

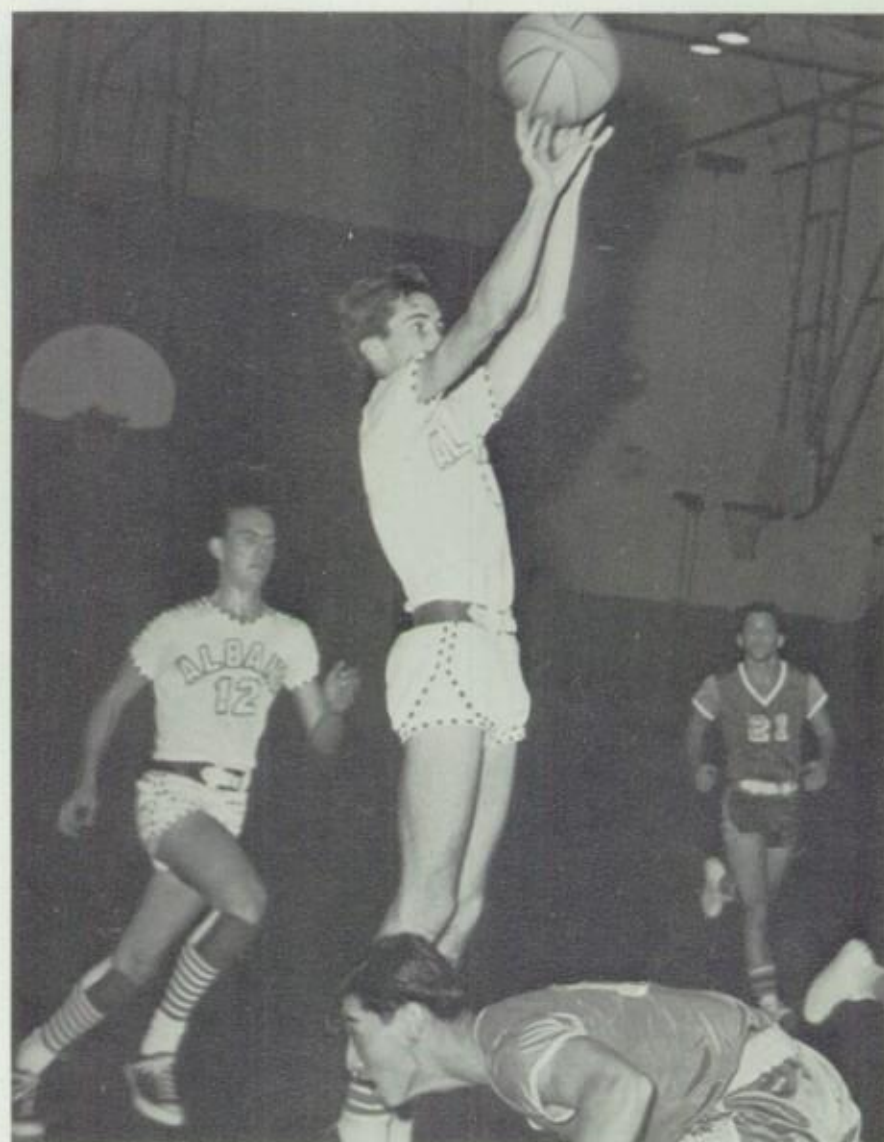

J. V. Star Mark Forrest goes for 2 against opposing team.

## ACTION SHOTS OF TODAY VARSITY AND J.V. SNAPS

Varsity Star Steve "Animal" Layne blocks Liberty's attempt for score.

Varsity player Brad Smith shoots a long one as Steve Goldman moves in for possible rebounds.

J. V. player Tom Dyer fights for possession of the ball as Tim Taylor assists.

Your guess is as good as mine as to who gets this one.

The main problem with the J.V. team can be expressed, as with the varsity, in the lack of team spirit and support of the student body. It's very possible next year's team could be a winning team with the support of the student body.

Coach Charles Clarke, Co-captains Mike Piasente, and Mark Forrest.

STARTING FIVE: Rick Holcomb, Bill Haskins, Tom Dyer, Mike Piasente, Gerry Behman.

# FRESHMAN BASKETBALL

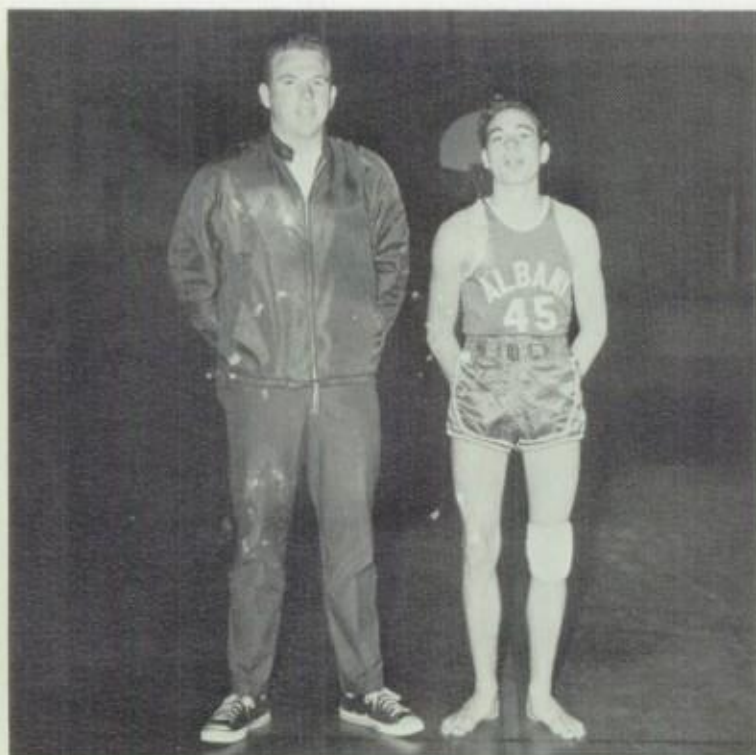

ROW 1: Bill Guant, Dennis Simon, Vaughn Nordby, Tim Johnson, Eric Ching. ROW 2: Juris Sinatus, Curt Pihl, Larry Dutcher, Chuck Boettger, Dennis Ryan, John Koser.

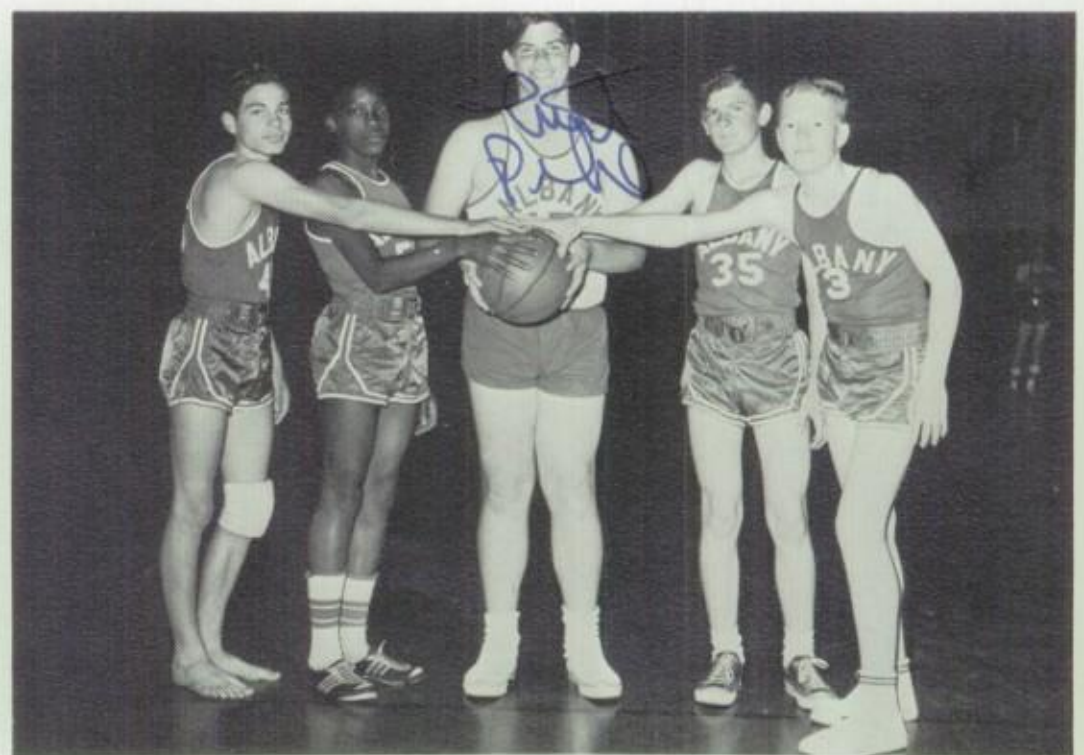

Despite the fine efforts of this year's freshman basketball team, their losses were most likely due to a lack of height, even though they did show plenty of effort and good quality. The prospects for next year's team are considered good. They seem to show a better shooting ability along with more height and good talent. The team is under the coaching of Mr. Greenwood.

I would like to apologize for the deletion of the team picture for the wrestling team. I regret that the picture was taken, but apparently misplaced.

Sports Editor

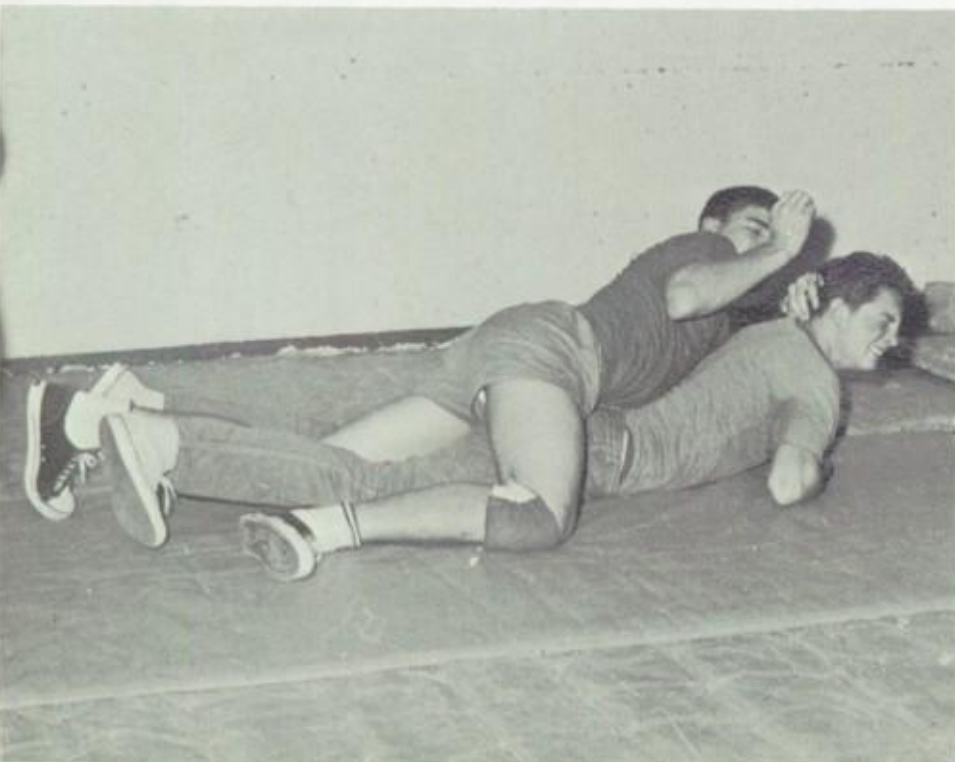

Coach Hoyle takes a break before practice starts.

Albany makes its move against Livermore.

Albany takes advantage against Livermore.

Work hard, boys, work hard.

The season, according to Mr. Hoyle, was not a success. Even though it wasn't a success as far as wins and losses, it was a success in many other ways. Not only did the boys have fun, but their physical build was improved greatly. You can look forward to a successful season next year in spirit, fun, and other intangibles.

A typical day at practice.

# VARSITY SWIMMING

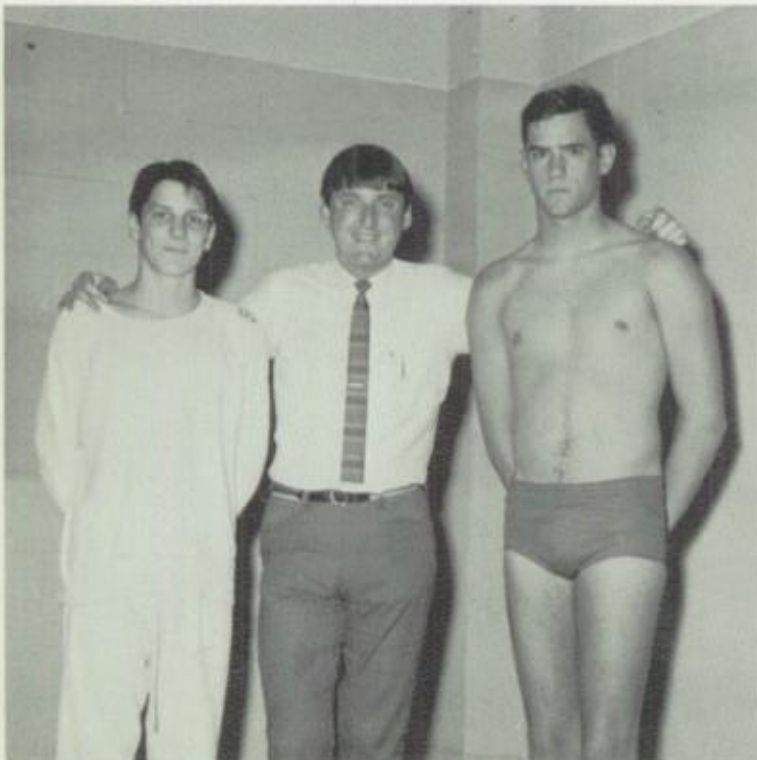

ROW 1: Dick Handlos, Ted Valli, Lloyd Hawkinson, Randy Bolte, Bob Graham, Noel Laverty.  
ROW 2: Jim Vila, Mark Bachman, Dave Matson, Steve Gleason, Tom Matson, Peter Heymans.

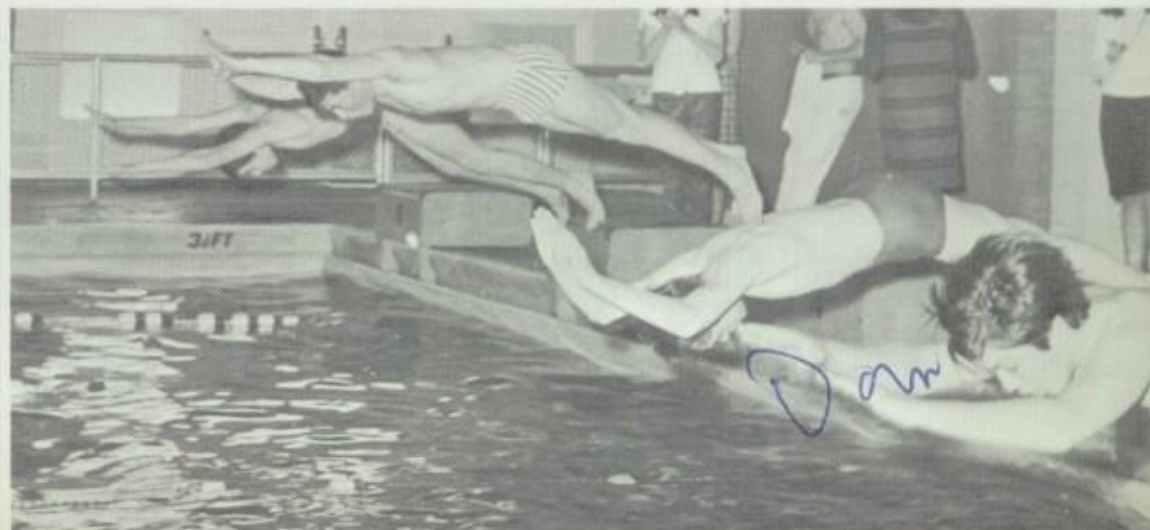

This year's swimming team has many members who have made an outstanding performance during the first couple of meets. Among these are Jim Vila, Ted Valli, and Dick Handlos. Coach Dwight expects Noel Laverty to go all the way to the North Coast Sectional. Mr. Dwight seemed quite optimistic about next year's team.

The dive from the starting block is a crucial part of the race.

Captain Noel Laverty, Coach Carl Dwight, and Captain Jim Vila.

# J.V. SWIMMING

LEFT TO RIGHT: Terry Gross, Dan Beckman, Dan Wells, Ben Howell, Mark Forry, Gary Nelson, Bruce Schagunn, Ross Gershensen.

This year's Junior Varsity Swimming Team, according to Coach Carl Dwight, will supply the nucleus for a good varsity team next year. Dwight also mentioned that the most improved player this year was Ross Gershensen, and Terry Gross should help to make next year's team a success.

Behind every hard-working team is a hard-working book-keeping staff.

Woody winds up for Albany.

Coach Greenwood seems very optimistic about this year's team. Many of the players on this team show a lot of talent. There will be many Sophomores and Juniors returning for next year's team which should make a victorious baseball team next year.

# SEASON SNAPS

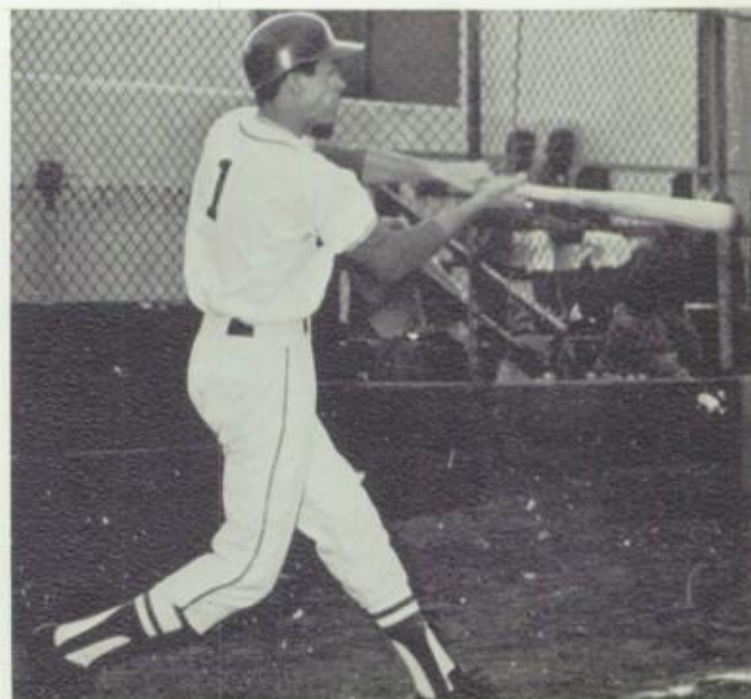

First Baseman Kevin O'Gorman keeps opposition close to the bag.

John Woody lets go with a line drive base hit.

Larry Gaunt fouled this one off, but got a base hit two pitches later.

Brad Smith wallops a line drive double.

Russ Klobas hits a ground ball along the third base line.

Woody releases a fast ball against St. Vincent's.

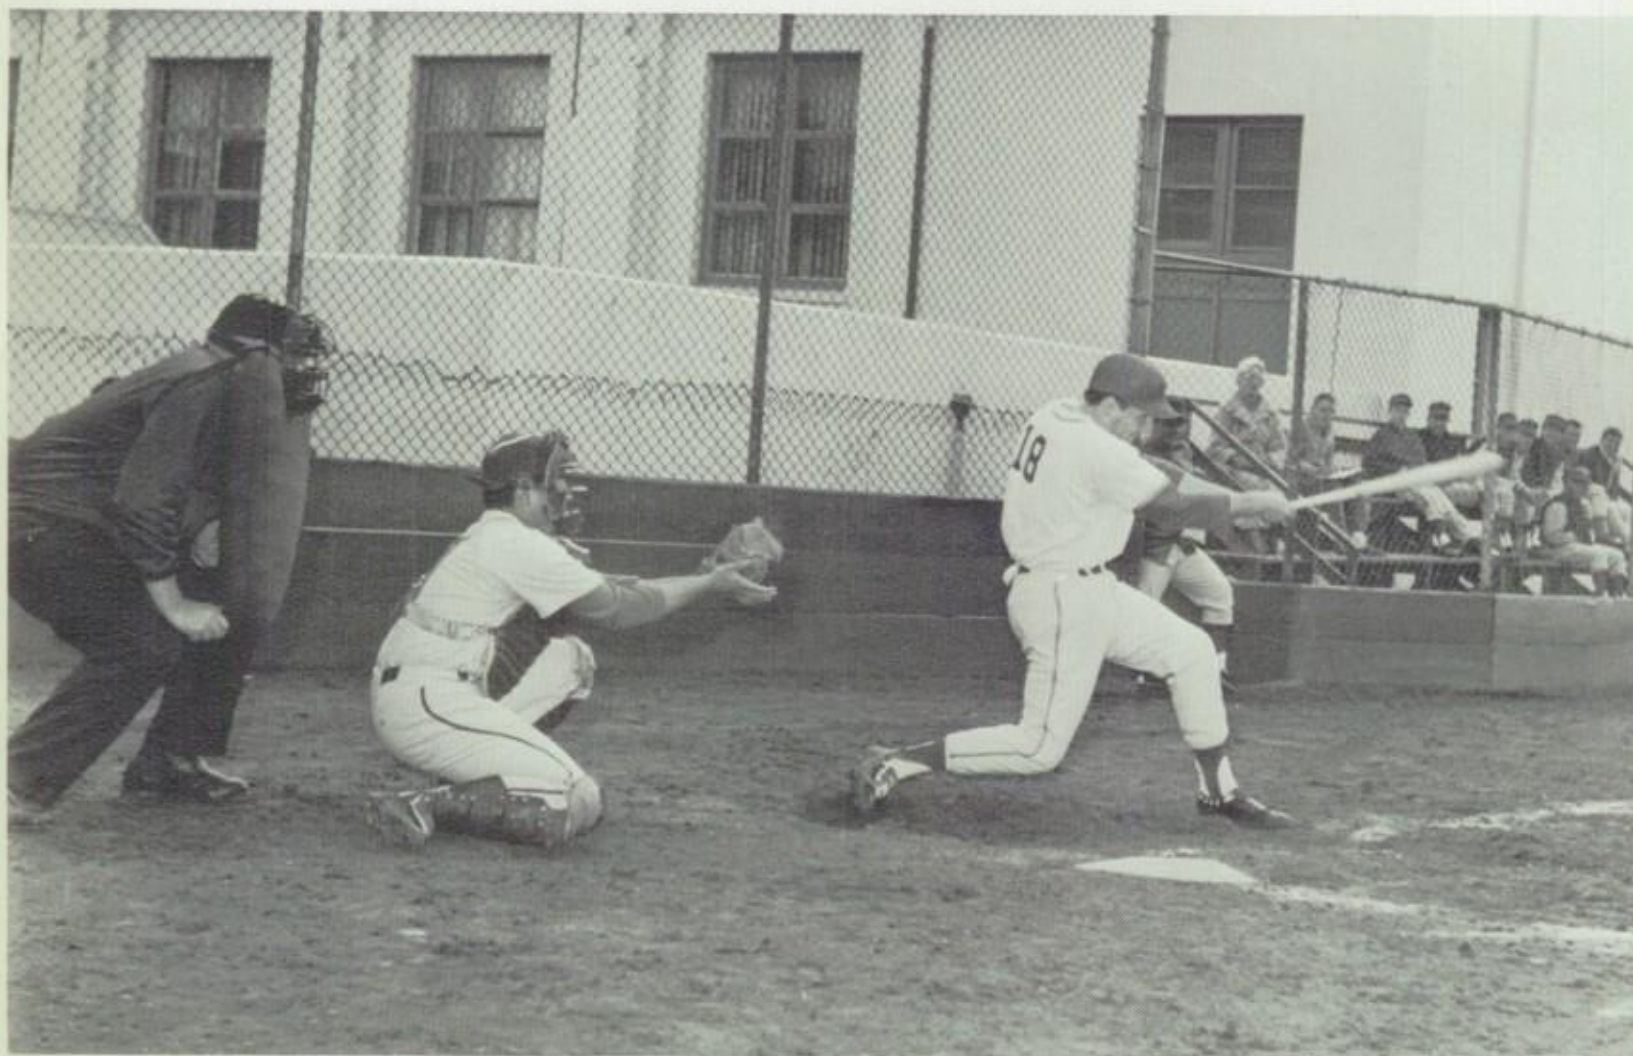

# J.V. BASEBALL

ROW 1: Tom Turner, Gerry Behman, Brian Hellwig, Reed Pope.  
ROW 2: Rick Holcomb, Jim Schlindler, Joe Griffin, Tim Taylor,

Larry Dutcher, Mike Gherloni. ROW 3: Ed Bernard, George Williams,  
Mike Reed, Tom Dyer, Curt Pihl, George Jaekle.

This year's Junior Varsity baseball team, under the coaching of Mr. Ingram, shows much promise this season. The team has shown much ability and spirit so far this season. If this keeps up, it should be a successful season for the team this year.

It's a base hit for Varsity Player Mike Piasente.

# VARSITY TRACK

ROW 1: Robin Campbell, Dick Goforth, Mark Hampton, Rick Magid, Adam Peterson. ROW 2: Jerry Thauberger, John Diemont, Bob Wright, Rick Cavallera, Steve Eisner. ROW 3: Ed Wentland, George

Hritz, Robert Peterson, Mitch Marengo, Ken Potter, Dave Potts. Missing are Tom Scheer and Mike Vogel.

As was the case for football, this season can be considered as a building season for the track team. Since there are only five seniors on the team, the bulk of the team will be returning next year. This should provide the nucleus for a successful season.

# TRACKMEN IN ACTION

Field Man Mitch Marengo uses perfect form as he practices before a meet.

Tom Scheer sets school record in long jump.

Sophomore Bruce Schroeffel leaves the ground in the broad jump event.

Rich Goforth keeps a steady pace as Albany takes a third.

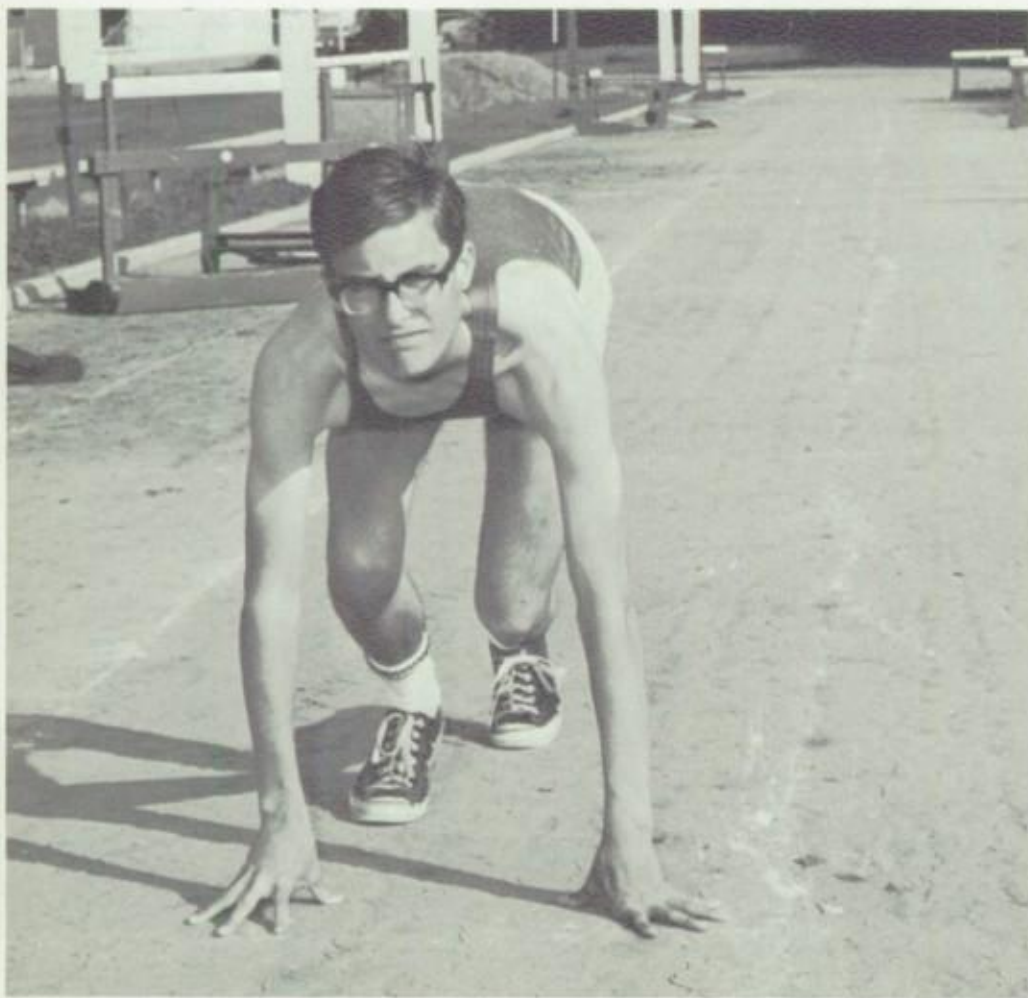

## "B" TRACK

*John Wallmann*  
*Curt Schagunn*

ROW 1: John Wallmann, Bruce Schroeffel, Jim Babich, Gregg King, Wade Klatt, Vic Stallone. ROW 2: Curt Schagunn, Mike Kingsley, Jared Peterson, Melvin Jacobson, Dan Johnson.

Distance Runner, Gregg King

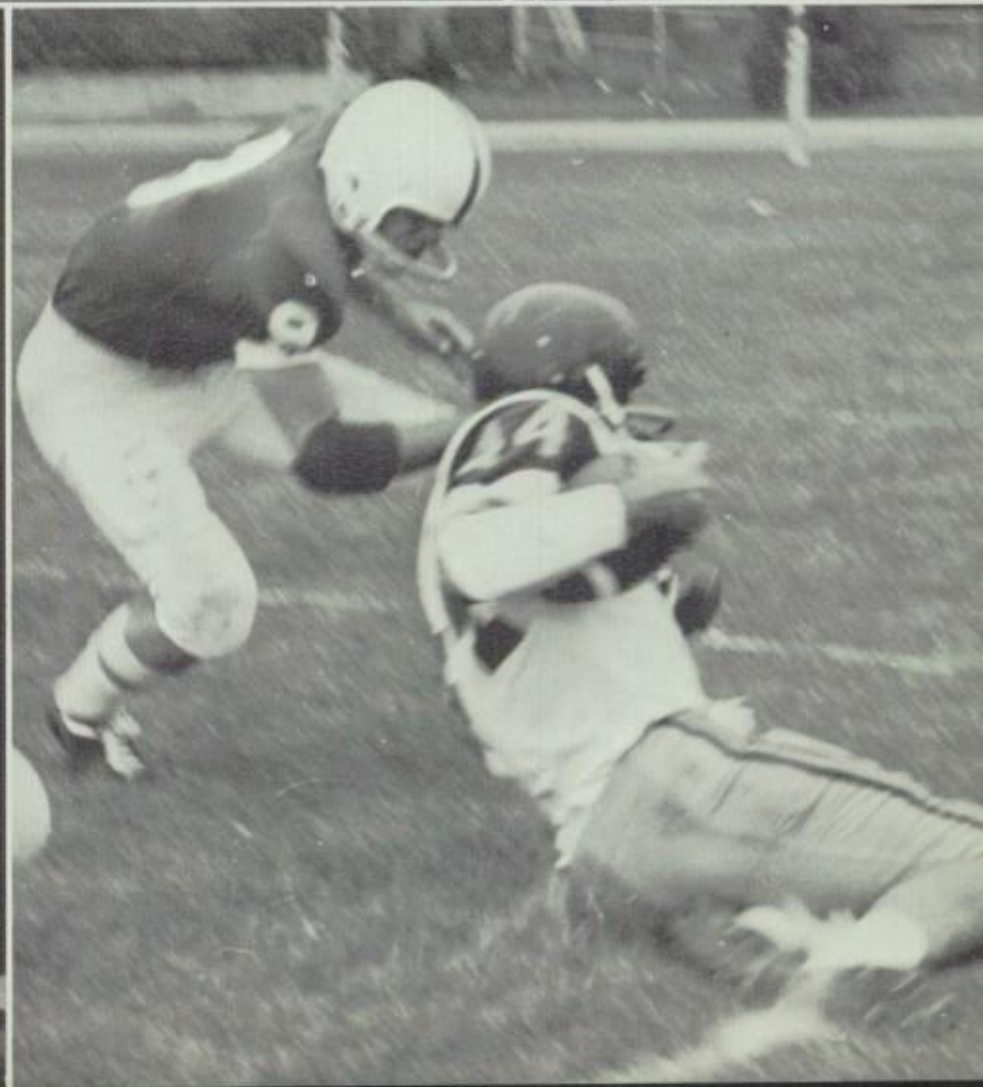

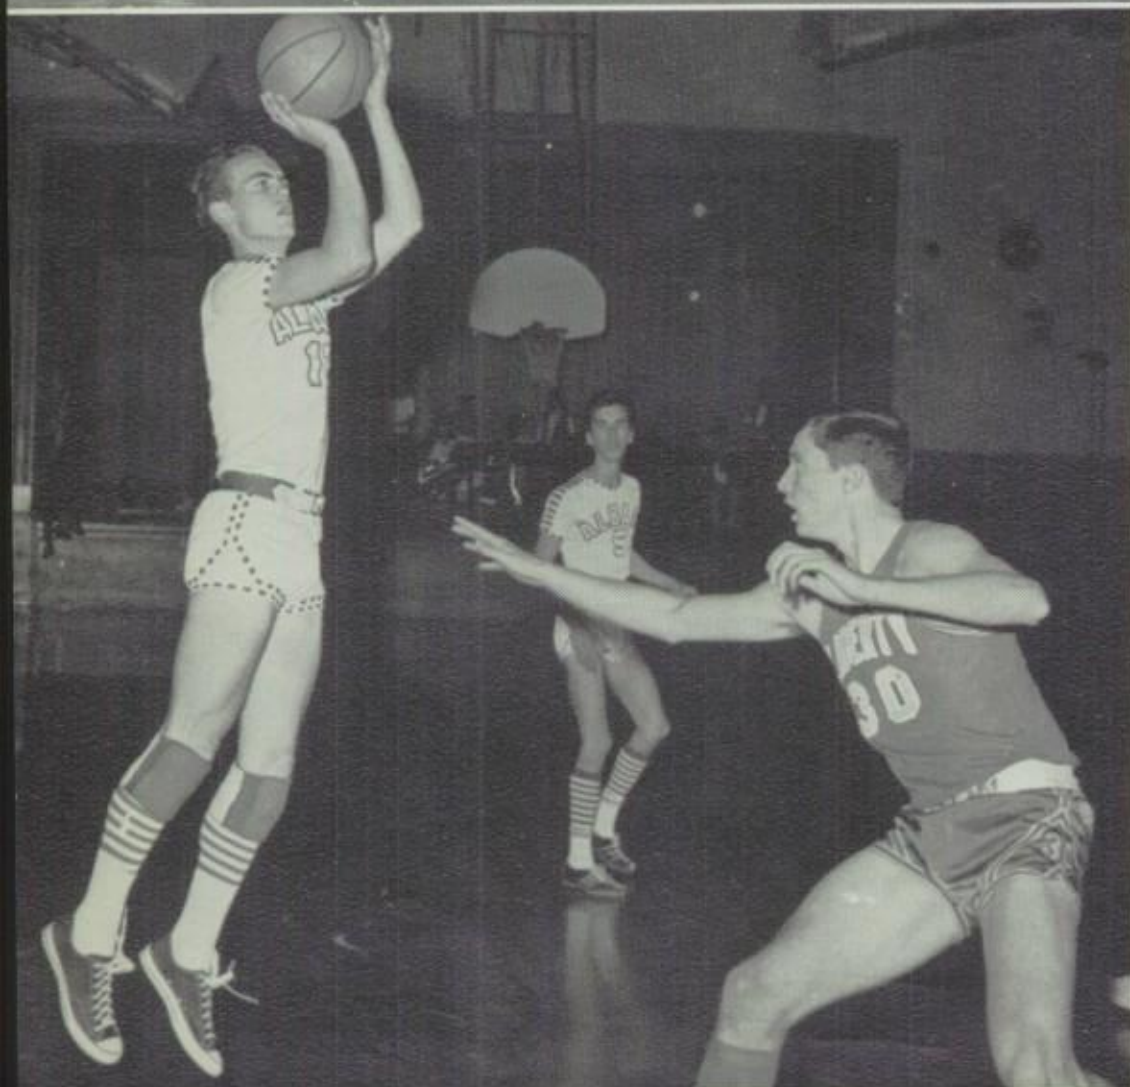

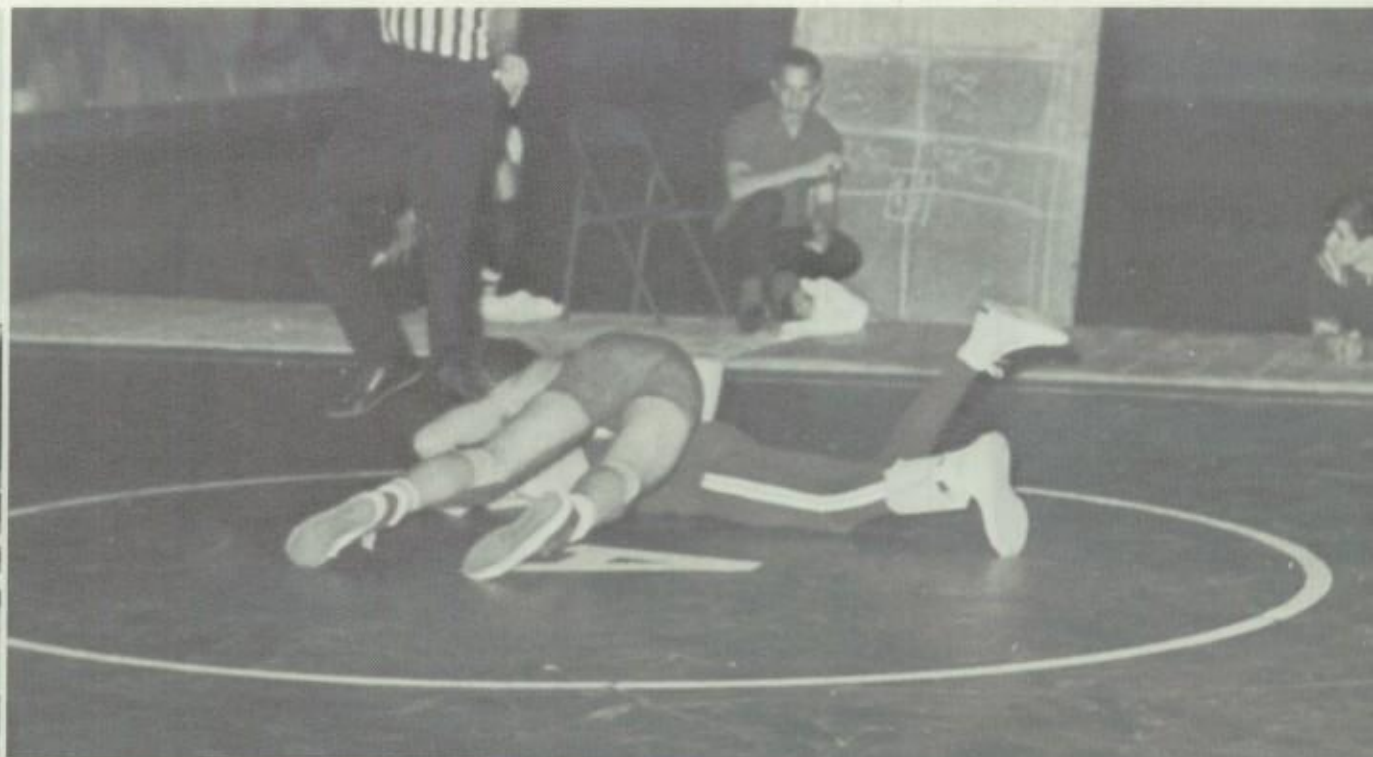

This year's "B" Track team, even though not as successful, shows quite a bit of potential for next year. Another factor determining the success of the team is the size; and this year's team was definitely lacking that. With a bigger squad next year, the "B" team stands a very good chance for a successful season.

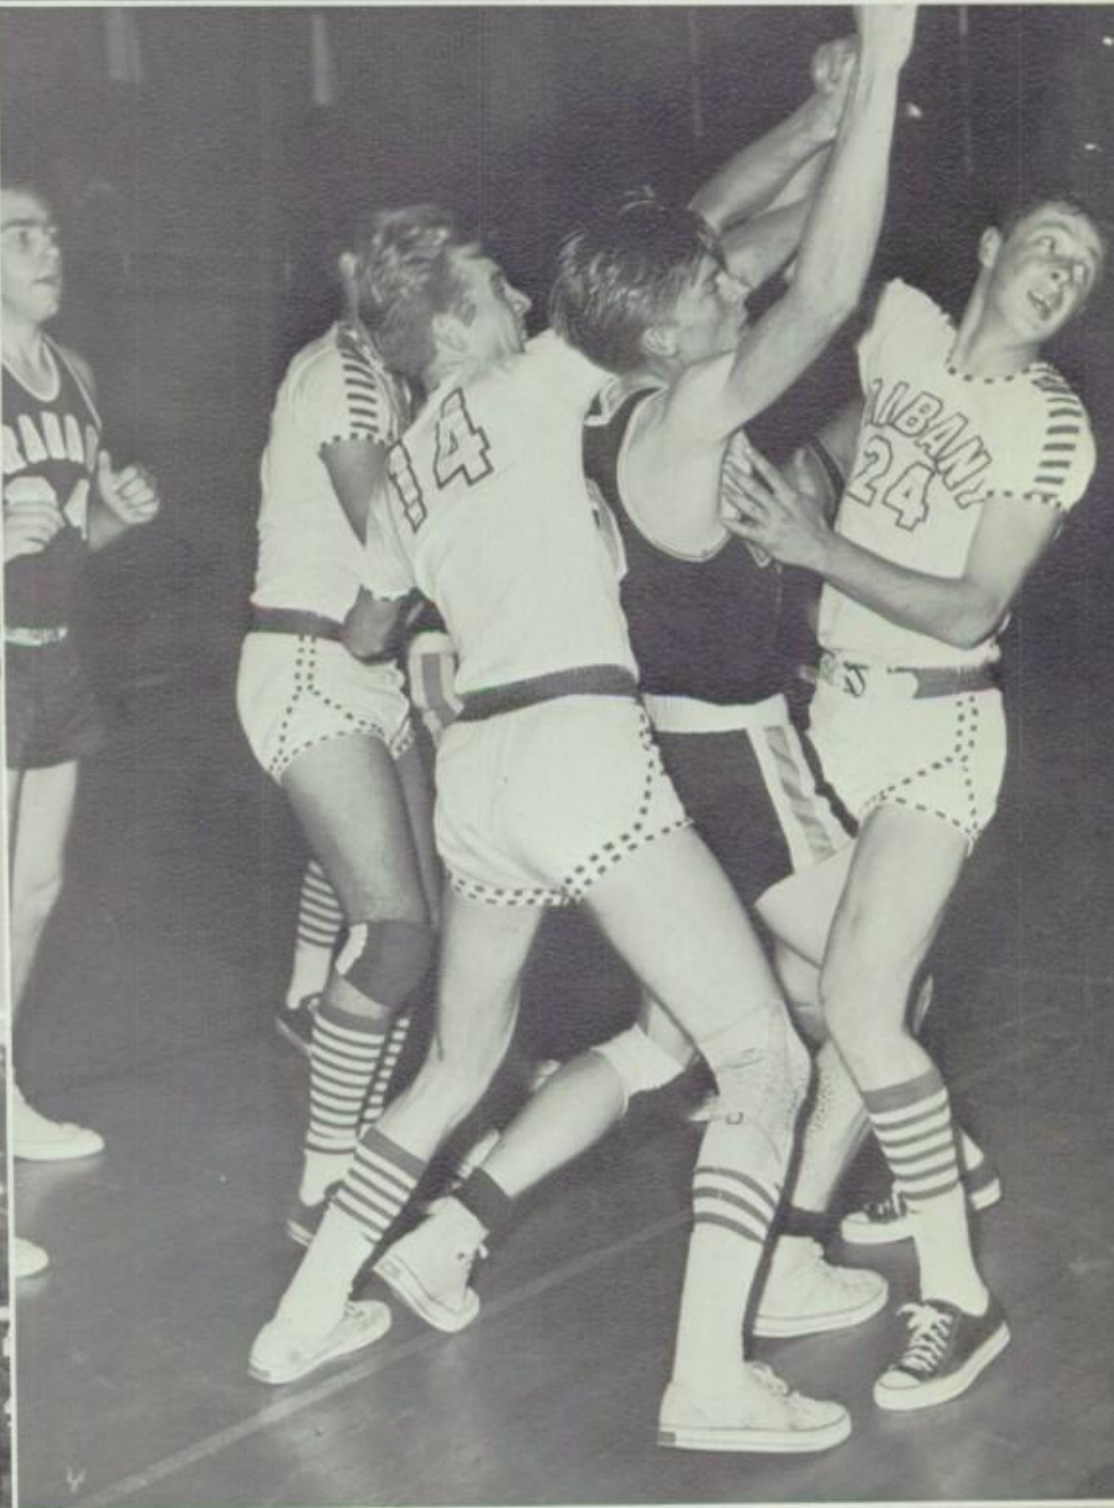

An Albany pole vaulter successfully clears the pole.

## WE WISH TO THANK. . .

As you finish, and we hope enjoy, this, the 1967 Cougar, we want you to realize that without the help of many, many people, this book would never have been.

We would like to extend our thanks and appreciation to the following groups and individuals: Mr. Ralph Stone, our tireless advisor; Mr. Joe O'Gorman, our photographer; Mrs. Marion Lister, who corrected our copy. The R. Wallace Pischel Company, our publisher; Mr. Donald Freeman, our publisher's representative; the Art IV class, who illustrated the division pages; and of course our Cougar staff.

Dave — good luck next  
year in band — as a  
second, may be...? —  
bring some more Bradbury's,  
too — I want to borrow  
them — Barb

dave —  
your a real cool  
guy & I'm glad we had band  
together. Hope I see you in there  
next year. Have a blast  
love always,  
pat

David,  
It's been fun  
seeing you in  
English & Algebra.  
Hope you in more  
of my classes next year  
Have a nice summer.  
Denise

To Dave  
I have  
sound after  
very observation  
that you are  
pretty after all  
maybe a little  
not pretty. I doesn't  
make you happy.
